## A Healing and a Grace

They left the tame places back East and traveled to the American Southwest. Some wanted silver, some needed healing. Artists were drawn to the audacious colors of sky and the scent of sage on a hot night. Wild horses tug at our hearts. A lone cactus sings a song to the red rock canyons, and a message to the spirits of those long gone. Come home, artists and dreamers, to the Southwest.

## INSPIRATIONAL ITINERARIES

Let us Customize One for You.

NEVADA - UTAH

### Southwest Safari

Take a fresh look at adventure in America with the Southwest Safari. Watch wild mustangs run free and get up close for sunrise feedings. Get into the spirit of the locals with a beading class, archery, or roping lessons. You'll overnight in the unparalleled luxury of authentic glamping, complete with hand-crafted beds and hardwood floors. Imagine! Heaven.

You'll be astonished by stunning views of bison, antelope, and deer on a solitary island. Drive into the mountains, spot small waterfalls. How about staying in an elegantly refurbished schoolhouse? Enjoy a white-marble soak, and drift into peace. Come morning, maybe a private paddleboard yoga class? (Unusually spectacular.) We suggest a soak in one of Utah's hidden gems. This natural, limestone crater holds 90-degree natural waters. Pure Southwestern bliss.
