EXPLORE THE  
**WINE COUNTRY**  
& NORTHERN CALIFORNIA

## This Fall & Winter, It's Wine Country and Beyond

California's original wine country, Napa and Sonoma, is an autumn feast. Filtered light plays on the burgundy and gold of vineyards—then the wine crush is on. Hand-crafted chocolates, cheeses, and fresh foods are pure bliss. Heading into winter, it's an easy drive to the Sierras and some of the USA's best winter adventures. The view of Lake Tahoe, one of the deepest lakes in the world, is breathtaking when skiing downhill on fresh powder. This region is to be savored.

## Experience the Autumn Colors of Wine Country

Harvest season, known in wine country as "crush season," is an exuberant time of celebration in Napa and Sonoma Counties. This is when winemakers decide that the grapes are ready to be picked, and wine country cheers a new vintage. A palette of autumn colors covers more than 100,000 acres of vineyards. (Enjoy farm fresh produce from local stands or served up in elegant cuisine.)

Imagine vineyard hikes. Intimate tastings. Driving the wine country route. Menus that feature farm-to-table fresh ingredients, including figs, pears, apples, and dates. Orchards with fresh pies and jams. Handmade chocolates, cheeses, and sparkling wines under a perfect sky. A quick drive to the ocean and a picnic under the redwoods. Come, celebrate harvest in California's wine country.

## Winter Adventures in Northern California

Northern California, specifically Lake Tahoe, is one of the largest ski areas in the United States with 400" of snow each year. Winter adventures begin around Thanksgiving and go through March. There are miles upon miles of wide-open, groomed trails, 1,600 foot plunges in the double-black diamond canyons, and audacious tree skiing. You can also snowboard, tube, or go cross-country skiing.

Lake Tahoe itself is a natural blue gem of crystalline water—ride a gondola for pristine views. There's world-class dining and shopping in the quaint town of Truckee. Want to see what the avid fuss is about? Take skiing lessons! North Tahoe is a unique winter experience unified by 12 towns. South Tahoe has extraordinary areas such as Heavenly and Squaw Valley. Slap on some snowshoes then get into a hot tub. Heaven? Truly.
